The Ludlow Garage Story

In September of 1969, an abandoned garage in the Gaslight District of Clifton was transformed into a performance space appropriately named The Ludlow Garage. Over the course of eighteen months a veritable who's who of the late 60's music scene performed at the garage. Great artists, including Grand Funk Railroad, The Kinks, BB King, Elvin Bishop, Dr. John, Rickie Lee Jones, NRBQ, Judy Collins, MC5, Alice Cooper, and of course The Allman Brothers Band recorded a live album here. We are pleased to keep the music playing! Our recently renovated venue is ready to keep the vibe going for years to come. Please like us on Facebook, or sign up for our email list on our website, LudlowGarageCincinnati.com, to keep up on all of our current and upcoming events.
